ABOUT THE COLLEGE

Bunts Sangha's S.M. Shetty College of Science, Commerce and Management Studies was established in 2008 by Bunts Sangha, Mumbai. The college is affiliated to the University of Mumbai.

Bunts Sangha, Mumbai was established in 1927 as a Charitable Trust and devoted itself to the cause of education, health care and social reforms of downtrodden and underprivileged class of people. The Sangha been in the service of people for almost nine decades. Initially, the Sangha established two night schools mainly to cater the needs of working students during the day time. During the last decade, more emphasis was given to the education for the masses.

Bunts Sangha's S.M. Shetty College of Science, Commerce and Management Studies is committed to the promotion and propagation of quality education with excellence. The main focus is to impart domain specific knowledge, flexible skill mix, positive attitudes, ethically sound values and continuous learning habits through reflective thinking in a student. The objective is to unleash the human potential within students for excelling in the chosen educational field. Our earnest attempt is to see that all this should take place with a sense of purpose, pride, direction and commitment.

NUSSD PROGRAMME IN COLLABORATION WITH TISS

Our college started National University Students' Skill Development (NUSSD) Programme in association with Tata Institute of Social Sciences (TISS) in February, 2015.

NUSSD courses are designed on an integrated framework that pedagogically links academic course content, skill training and application for well-being as a credit-bearing educational experience. The course is offered in two parts. First part contains the Foundation Course offered to second year graduation students, which gives training to the learners in various value based and skill-based topics which will foster the inner capabilities of students, inculcating within them values of civic responsibility, and build their competencies to work effectively in complex and inter - related environments.

The second part of the course which is offered to the learners after successful completion of the first part is Domain Course, whereby, learners can choose one of the domains in inter – related skill areas in their third year of graduation. All domain areas will have entrepreneurship and livelihood modules. The TISS is co-branded with industry/academic partner, and is recognised by industry for skill and competencies, that enhances employability of the graduates both locally and nationally.

ADMISSIONS

•Online Admission Procedure

Applicants aspiring admissions need to apply in respective college, institute, or department. From academic year 2013-14 application for admission has been made available online by the University. Applicants may use this facility to the fullest extent for their benefit. The output of the '**Pre- Admission Online Registration**' will be a printout of application form to be submitted in college.

Applicants from states other than Maharashtra, and foreign nationals have also to use this facility. However, foreign nationals have to undergo additional mandatory procedures by contacting the University.

The objective of "**Pre-Admission Online Registration**" is to

- Help applicants (and their parents) by providing thorough information about courses and colleges which offer it
- Assist in applying for any course in any college of this Mumbai University without any hassles

The purpose behind the "**Pre-Admission Online Registration**" is to provide an online mechanism through which applicants can directly apply online to various courses and colleges affiliated to University. This is also about enabling applicants from distant/remote locations to apply to colleges of their choice.

Please read all links given under '**Pre-Admission Online Registration**' tab so as to understand the process.
