A checklist for your first job

- ★ Reach office on time everyday.
- ★ Take feedback sportingly & try to improve, not just for the sake of office, but for yourself too.
- ★ Don't let mistakes pull you down!
- ★ Ask for help & guidance when required.
- ★ Be among successful, focussed people who have a vision; it rubs off.
- ★ Learn public speaking & presentation skills.
- ★ Treat others well; as you would like to be treated.

How to improve ourselves on a regular basis

1. Have goals: break them down into smaller measurable goals.
2. Make time bound plans: practise time management.
3. Make a to-do list: yearly, monthly & daily.
4. Listen to relevant podcast in your subject of interest.
5. Have a buddy at work or with whom you can discuss & take regular feedback.

What is SIP, SWP & STP?

A. SCORES (SEBI Complaints Redressal System)

SEBI launched a centralized web based complaints redressal system "SCORES". The purposes of SCORES is to provide a platform for aggrieved investors whose grievances, pertaining to securities market, remain unresolved by the concerned listed company or registered intermediary after being approached directly. Whenever an individual entity faces an issue, he or she has to first contact his or her company, exchange or broker for filing his complaint. If he is not satisfied with the resolution provided to him or has not received any response from his concerned company, exchange or broker where he has filed his complaint, then he can directly file his complaint on SCORES.

B. SEBI Help Line - Toll-free Helpline Service for Investors

To facilitate replies to various queries of the general public, on matters relating to securities market, SEBI has undertaken a new initiative and launched toll free helpline service numbers, viz. 1800 266 7575 or 1800 22 7575.

The toll free helpline service is available to investors from all over India in 8 languages. The toll free helpline service is available on all days from 9:30 a.m. to 5:30 p.m.
