Dear Mam,

We, the Internal Quality Assurance Cell (IQAC) at S. M. Shetty College of Science, Commerce and Management Studies, Powai wish to organize a workshop on MOOCS for our faculty members. It gives us great pleasure to invite you as a resource person for the same. We came across your articles on MOOCS and we found them of great academic and professional value. We would be obliged to have you as the resource person for the MOOCS workshop. We await your positive response.

Thanking You,

Dear Darpana,

Thanks for your mail and the kind words of appreciation. When do you plan to have the workshop? I begin college next week and then on it will be a tight schedule for me. If you give me a tentative date then I could see how to adjust. We will be having our NAAC visit this year. So only when those dates are out can I commit myself.

Regards

## **One Day Workshop on 'MOOCs – Harnessing Cyberspace for Learning'**

The Internal Quality Assurance Cell (I.Q.A.C.) of the college organised a one day workshop on MOOCs on 24<sup>th</sup> March, 2018. MOOCs stand for Massive Open Online Courses and are a leader in online learning and education. MOOCs are free online courses available for anyone to enrol. MOOCs provide an affordable and flexible way to learn new skills, advance one's career and deliver quality educational experiences at scale. The workshop started with lighting of the lamp by Chief Guest Mrs. Afreen Asad Anwar Sayed from BCS, Resource Person Dr. Agnes D'Costa, Principal Dr. Sridhara Shetty, Vice Principal, Dr. Liji Santosh & organising committee members, Prof. Darpana Manjarekar, Prof. Sujata Rizal & Prof. Avneet Kaur. Dr. Sridhara Shetty addressed the gathering & stressed on the importance of online teaching & learning. Mrs. Afreen Sayed welcomed the participants & appreciated the teachers for taking interest in the workshop. Resource person Dr. D'Costa gave a brief explanation about online learning systems & MOOCs. The practical session was arranged in the IT laboratory. Dr D'Costa explained the concept of MOOCs through various live examples. The participants were taught to create online classrooms, upload & create study materials, online assessment, certification etc. & many other features offered by MOOCs. Few examples of MOOCs that were taught in the workshop were edX, Edmodo & Eliademy. The workshop was very interactive with participants creating their own online classrooms & clearing the doubts with the resource person. The workshop was attended teachers from degree & junior college sections.
