Objective & Report- Recycling of Garbage

Objective-

- To teach the youth the importance of recycling.
- To make the best the waste.

Report-The NSS Unit of S.M Shetty College of Science, Commerce and Management studies organised a seminar on 3rd August, 2017. Which was conducted by guest of honour, Kejal Sawla on the topic 'Recycling Of Garbage' in room no. 804 at 11:30 am there were 40 volunteers in the seminar. The seminar started with an activity of claps and then everyone was introduced about them and to express there feelings in one word. In the other activity a situation was given to the volunteers that form the last 2 days no garbage had been picked up from the areas. The volunteers were divided into three groups. i.e BMC, Political and Citizens. Later any 2 people from each groups were selected to represent there group. They selected people were having a debate on the given situation and end up with no solution finally we got to know that what exactly happens in reality is the same. At the end of the seminar kejal sawla maam addressed that it is not only responsibility of the BMC but it also our responsibility towards cleanliness and also to inform BMC about problem related to the city. This is how the seminar came to an end.

Objective of Van Mahotsva

The constant felling of trees in India has been a problem for a long time, and Van Mahotsav is important in creating awareness of the issues. According to the forest department, for every tree felled ten trees should be planted to make up for its loss.

Therefore this event was organized to:-

1. Educate the importance of this day to students.
2. Plant saplings to protect the

REPORT ON ECO- FRIENDLY GANPATI

Exhibition of Eco-Freindly Ganpati made by students

- Women Development Cell of Bunts Sangha's S.M.Shetty College of Science, Commerce & Management Studies conducted an activity on Eco-Friendly Ganpati Idol making in college premises on 24th August, 2017.
- This activity was executed to teach the gathered crowd about HOW TO MAKE ECO-FRIENDLY GANPATI OUT OF CLAY?
- More than 70 students participated in this activity.
- It was an initiative to reduce water pollution during the festive season of Ganesh Chaturthi .
- Since, clay is degradable in nature which helps to maintain the ENVIRONMENTAL IMBALANCE.
- Not only the WDC volunteers but the whole college actively participated in this activity.
- There were prizes for the same for the BEST GANESH CLAY MODEL.
