### **Objective & Report - Flag Collection Rally**

**Objective:** To make people understand the respect they should have for their national flag. Set an example for the future generations.

**Report:** With a slogan "Respect the tricolor even after the Independence Day fete" the NSS Unit of S. M. Shetty College of Science, Commerce & Management Studies, Powai went on a rally on 16th of August, 2018. It was the flag collection rally that was of utmost importance. Independence Day is celebrated with enthusiasm. Flag sales are off the charts and many people sport mini badges and stickers. But the scene a few hours later is torn flags, flags on the ground, trampled upon, piled up in the trash, especially around schools. People and authorities have turned insensitive, despite guidelines for disposing of damaged national flags. After the national holiday, the flags are mixed up with the waste and disposed of like any other garbage. It is an initiative to make people understand the respect they should have for their national flag even after the national holiday and set an example for the future generations. The NSS Unit looks forward to the change in the upcoming national celebrations. Total Volunteer participated 39.

"On the auspicious occasion of Independence Day we should not just hoist the national flag, and sing the national anthem! Rather, On this special occasion, we all Indians need to come forward and take a pledge to respect our motherland, national symbols and national heritages!!"

**Objective:** To commemorate the valor and spirit of the freedom fighters who fought for the independence of the nation. To promote nationalism and patriotism towards the nation.

**Report:** The NSS Unit of Bunts Sangha's S. M. Shetty College of Science, Commerce & Management Studies, Powai celebrated the 71st Independence day by conducting a white rally on 15th of August, 2018. The NSS volunteers marched on the streets of Powai wearing white clothes that laid stress on unity amongst various sections of our community. The motive of this rally was to bring peace amongst various sections of our country that are discriminated on the basis of caste, religion, language, etc. This was a silent rally as we remembered our patriots who fought for our freedom and how important it is to maintain peace in their respect and for their dignity. Though it was a silent rally, our volunteers ensured that their message was being delivered to the people and for this they made many creative posters enlightening various different national issues which needed to be resolved. Overall it was a rally worth remembering. "For to be free is not merely to cast off one's chain, but to live in a way that respects and enhance the freedom of others." -Nelson Mandela. Total Volunteers participated 27.
