**Subject: - Jagrut Mumbaikar - citizen's awareness program.**

Mumbai is always a target for acts of terror. Mumbai Police has been making concerted efforts to secure the city by following standard professional practices.

However, a key area such as public awareness needs to be covered, as without active and alert citizenry the efforts by police may prove inadequate.

For making the public aware and alert about certain aspects of safety and security, Mumbai Police has launched a program called "Jagrut Mumbaikar" since last few years. As a part of this program a team from Security Branch of Mumbai Police delivers a Power Point Presentation of about 90 minutes duration to the audience of various categories.

It is proposed to arrange a Power Point Presentation of "Jagrut Mumbaikar" campaign in your premises on a mutually agreed date.

Hence it is requested to convey a suitable date for the program and it is also requested to provide suitable space and audio visual equipments to conduct the same on the agreed date.

Thanking you.
