Objective & Report - Vikhroli Cleanup

Objective: To make the youth aware about the noble cause of the cleanness drive on the railway station. To raise awareness on importance of cleanliness at Railway Station

Report: NSS unit of Bunts Sangha's S.M.Shetty college of science commerce and management studies organized a cleaning drive at Vikhroli Railway station from 10am to 1pm promoting the Swachh Bharat Abhiyaan initiated by our honorable Prime Minister Mr. Narendra Modi. 39 volunteers willingly participated in this noble cause and the entire railway station was cleaned by them with the permission and guidance of the Station Master Mr. Karandikar. All the NSS volunteers worked very hard and actively for the succession of the event.

Objective & Report - Earth5R

Objective: The moto is to collect the waste that is thrown on the plants and separate the waste and reused it. To create new things that are used in our day to day life.

Report: The NSS unit of Bunts Sangha's S. M. Shetty College of Science, Commerce & Management Studies, Powai celebrated this year's friendship day in a very unique way with our mother nature. In collaboration with the EarthSR team our unit took an initiative to clean up Powai Lake. The event started by 8:30 am in the morning on 5th of August, 2018. Our volunteers along with the Earth5R team collected all kinds of waste in which the major portion was covered by plastic. There were two kinds of plastic: recyclable and non-recyclable. The Earth5R team also made it a point to maintain hygiene so they provided our volunteers with gloves. Usually when people go out on cleanliness drive they end up cleaning only the main roads or roadside but this team made it to edges of the lake covered surface area plants where people tend to throw away waste since no one is bothered to look after that area. The team didn't end their day by just collecting the waste but they also segregated and separated the recyclable and non-recyclable plastic. The Earth 5R team uses this recyclable waste to create new things that are used in our day to day life. Total Volunteers participated 37.

"We often forget that we are nature. Nature is not something separate from us. So when we say that we have lost our connection to nature, we have lost our connection to ourselves." Andy Goldsworthy

Objective & Report - Eco Friendly Ganesha

Objective: To create awareness and protection of environment and humans from harmful effects of chemicals used in making Ganesha idols. To protect the environment from waste.

Report: The NSS Unit of Bunts Sangha's S. M. Shetty College of Science, Commerce & Management Studies, Powai conducted a one day workshop on how to make eco friendly ganesha idols on 11th of August, 2018. This Ganesh Chaturthi either buys a Ganesha that is made of clay or makes one yourself at home. Since going green is the new mantra, this idol will be zero in chemicals, plaster of paris, plastic, thermocol (polystyrene) and other harmful products. The event was initiated by Times Green Ganesha powered by Maharashtra Pollution Control Board. The session was under the guidance of Miss Vijayalaxmi from Times of India. Students of all the departments were welcomed for this session. The session was attended by 39 students. The session witnessed 35 beautiful ganesha idols which was a blessing for all of us and that would not harm the environment at any cost. "We need not protect the environment, but create a world where the environment does not need protection."

Objective & Report– Girgaon Chowpatty Cleanup

Objective: To promote waste reduction, recycling and reuse. To create Public awareness on waste management and environmental concerns.

Reports: The NSS Unit of the Bunts Sangha's S. M. Shetty College of Science Commerce & Management Studies, Powai in collaboration with Times of India helped in cleaning up the Girgaon Chowpatty. The event started at 7 am in the morning on 24th of September, 2018

Our volunteers along with the volunteers from other colleges started cleaning the beach at 7:30. All types of waste was collected at the beach. The major part of the waste was from the idols of Ganesha which were immersed in the sea after Ganesh Chaturthi. The Times of India

Group made hygiene and priority and provided gloves to our volunteers. The cleanup took place mostly on the beach part. All the waste which was collected was kept in a sack and all that was put together in one place. The activity was concluded at 10 am.

"The objective of cleaning is not just to clean, but to feel happiness living within that environment." Total Volunteers participated

Objective & Report: Plastic Ban Rally

Objective:

- To reduce the use of plastic bags and save our environment
- Plastic delivery many direct economics benefits an can contribute to resources efficiency.

Report

Plastic Ban Rally

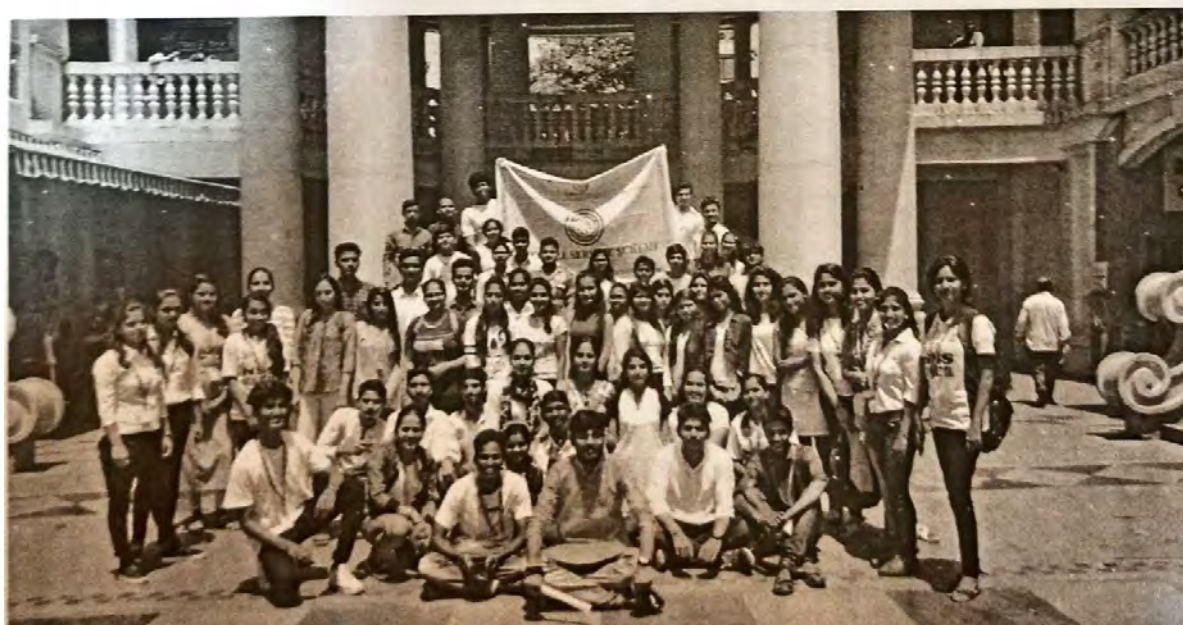

With a sole- intention to reduce the use of plastic ban and save our environment, the NSS Unit Of Bunts Sangha's S. M. Shetty College of Science, Commerce & Management Studies, Powai conducted street plays and rallies along the nearby areas of the college. This rally was conducted on 8th September, 2018. A total of 39 Volunteers were a part of this rally. The areas covered included skit in Galleria (Hiranandani) & also in front of Hiranandani Business Park. This skit drew many people's attention to plastic ban in Maharashtra. They also came across the hazardous effect plastic has on our environment. The volunteers also conducted a rally alongside the roads of Hiranandani, Powai showcasing placards and signboards to avoid the use of plastic and it's adverse effect on our environment.

CLIMATE AND BIODIVERSITY CHANGE.

4/10/2018-Alisha Crasto.

A seminar on Climate and biodiversity change was held in our college on 3rd October 2018 in the AV room. The main speaker of the event was Mrs Elsie Gabriel. The seminar was based on the sole purpose of making people aware of the various climate and biodiversity change that takes place in our surroundings.

The seminar started at 11am and was introduced by Prof Sujata Rizal as she felicitated Mrs Gabriel. The seminar held many key points on the various notes of the ever changing climate change and the ill effects of it on the surroundings. The ppt portrayed many videos and slides that were eye opening and made us ponder on the various reasons of global warming and its effects on the environment.

It made us motivated on planting more trees and saving the environment .In short the seminar was very eye opening and made us realize how much the saving of our planet is important and all the various changes happening around us.

Glimpse of Climate change session

Report - E-Waste Management Club 2018-19

E-Waste Management Club and I.T. Association conducted an one day inter-collegiate competition on 25th February, 2019. The event started with inaugural function at 9 a.m. Guest for the function was Principal Dr. Sridhara Shetty, Vice-Principal Dr. Liji Santosh, Coordinator Prof. Tushar Sambhare. The event started the introduction of the dignitaries and address by Principal Dr. Sridhara Shetty. Documentary on E-Waste Management and Digital India was shown to the students. The event had five competitions such as Research Paper Competition, Poster Making, Best out of Waste, Exhibition and Robo on Street. Total 10 colleges participated in the competition with more than 50 students.

Students of E-Waste Management Team actively perform in such activities where they always make working models through E-Waste materials. This year E-Waste Management Drive started with new Event called E-waste Exhibition where students made various projects using E-waste materials including Projector, Air Purifier, Table Lamp, Robot Car, Laptop Cooler, Auto rickshaw, Photo frame, Wind Blow, Decorative using CDs etc..

E- Environmentation has been sponsored Best Computer Solutions Pvt. Ltd, an E-Waste recycling company. E-Waste Management has inaugurated its first Eco-Bin during the year 2018 for the collection of E-Waste. Students of E-Waste Management Club create awareness during the festivals like Ganesh Chaturthi by keeping the theme for the respective area as E-Waste Management.

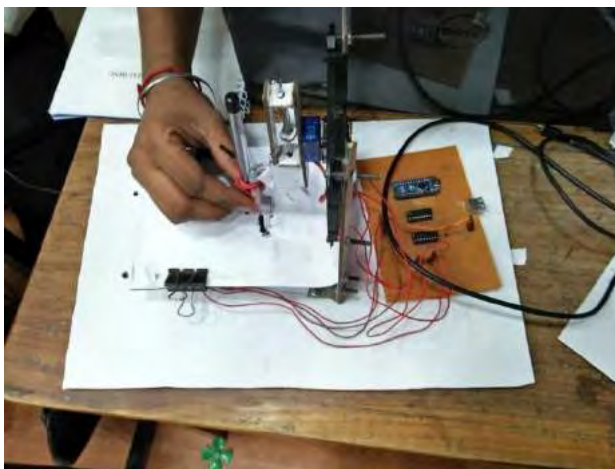

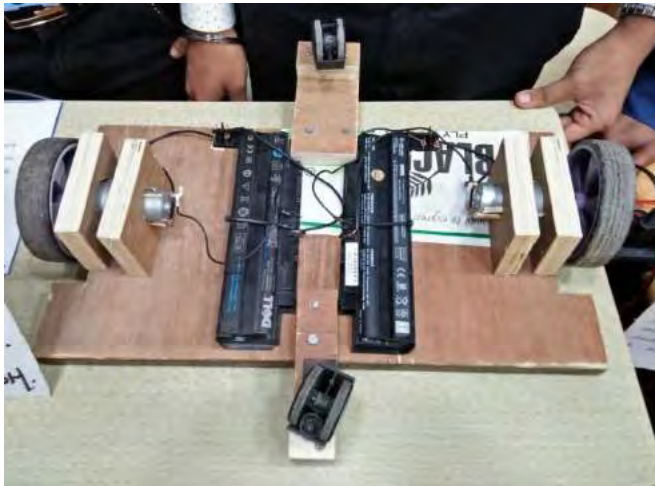

Teacher In-charge:

Ms. Sujata Rizal

Activities:

1. Inauguration of Eco-Bin
2. E-Waste Collection Drive
3. Research Paper Presentation
4. Best Out of Waste
5. Robo on Street
6. Poster Making Competition
7. Exhibition
8. Awareness during Festivals
9. e-Environmentation

Exposure of product made using E-waste
