Enterprise Network ATR (2019-20)

The Enterprise network class was conducted for the FYIT students. It was conducted by Mr. Saurab Lahoti. The overall feedback for the event was very positive.

One area of improvement is content management. Plans are to extend the session for longer hours and also evenly spacing it out so one lecture doesn't get too heavy. We are planning to have more sessions like this so that students can take advantage of them.
