REPORT ON TREE PLANTATION DRIVE

The Tivona Nature Club of the college organised 'Tree Plantation' drive on 10th February, 2020. The purpose of this event was to serve the Sparrows, Parrots, Squirrels and the birds that survive on fruit trees. Decrease in number of these birds in urban area made us to think for such kind of event. 50 Guava plants were distributed to students who agreed to take up the responsibility of planting them at their premises.
