Objective: To promote better mental and physical health of the community at large through the practice of yogasana.

Highlights: "Yoga means addition of energy, strength and peace to the body, mind and soul." On the occasion of International Yoga Day, Health Club, NSS Unit and Sports Department our college jointly organized the webinar with the objective to promote better mental and physical health of the community and to motivate participants to adopt and practice yoga in their daily lives. Event began with the cordial welcome to our Chief Guests- members from the Management, our Resource persons, Principal, Vice Principals, Teachers and students across various states of India.

As the idea of International Day of Yoga was first proposed by the current Prime Minister of India, Mr. Narendra Modi, a recorded video message was played in the beginning of the session in which Prime Minister highlighted that Yoga is a holistic approach to health and well-being. This video Message was followed by the welcome address delivered by Principal Sir.

Resource persons started the session in which they demonstrated various sitting and standing yoga asanas explaining the specifications and importance of each. These asanas were taught to relieve mental stress, reduce bodily pain and soothe the soul. Asanas were performed by the participants simultaneously. Yoga Session was followed by 'Question and Answer' session in which queries of participants were answered by the resource person. Webinar came to an end with the vote of thanks.
