PATHWISE

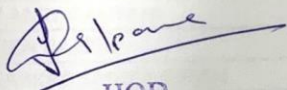

6th March, 2018

On Tuesday, the 6th March, 2018 the BMM department of S.M. Shetty College of science, commerce & management studies organised "Pathwise" an informative seminar conducted for the SYBMM students to give them certain insights about the media industry.

These seminars are conducted by the students and faculty of the BMM department. We have ex-students who come and address us about their industry experience enabling the students to make a clear choice of whether to select Advertisement or Journalism for the next academic year.

For this Pathwise session we had our Alumini Mr Sumedh Sengonkar addressing the students on opportunities in Journalism. He is currently pursuing his Post-graduation in Journalism from Symbiosis. He gave us a lot of insights about journalism as he was a journalism student himself. He informed the students about what are the needs for journalism and also that journalism doesn't only involve writing but is a vast field. He also showed the students a silent short film made by an Engineer to state the fact that not only the people of BMM department can make movies but anyone who has the desire and passion for it can. The students got to learn a lot and clear a lot of their doubts through the question & answer session.

Department head Prof. Kalpana Rai Menon felicitated the guest and gave the vote of thanks.

S.M.Shetty College

16TH February, 2018

On Friday, the 16th of Feb, 2018 the BMM department of S.M.Shetty College of science, commerce & management studies organise "Pathwise". Pathwise is an event organised every year for the second year students to give them more knowledge and information about the fields of journalism and advertising and also to help them make decision between the two.

Miss.Shweta Poojary from Sony entertainment was invited this year to give the students an insight into the Public relations industry & the field of advertising. The event started with the small introduction of the speaker and the field she is from. Then she spoke about her work experiences. She also gave advice about the industry for freshers as well as about the internship opportunities. She also tried to encourage the students by doing internships so that the students may come to know about their interest. She guided the students by telling them how can the make their hobbies their profession. She talked descriptively about the Public relations industry.

The event came to an end with the question & answer session where the students asked their queries and learnt a lot from the answers she shared. Most of them even got a clear idea about their answers. Lastly at the end of the session prof. Neena Sharma felicitated the guest and gave the vote of thanks.
