INDUCTION LETTER

M. DESIGN (Academic Year 2020 – 21)

Dear Riddhi Jain,
UID20641

To be a designer is to imagine things differently, to see possibilities that others do not, to turn the most innovative ideas into reality, and to engage with the world to change it for the better! Our design programmes will prepare you to think and act both globally and locally (*Glocally*), and to see opportunities where others merely see a crisis.

We see the current times as the beginning of a new way to practice design, and as an unprecedented moment for innovation in design education. The university firmly believes that through adversity comes innovation, creativity, and a need for change. Our vision is to provide you with an unparalleled experience and nurture you to become future leaders in design and creative catalysts in delivering positive cultural, economic, environmental, and social change in times to come.

COMMENCEMENT OF ACADEMIC SESSION 2020-21

Phase 1

The academic session (2020-21) will commence on **Tuesday, 04th August 2020** initially with *online delivery* to start with and we are fully geared to roll out the same with the New Age – Hybrid – Blended Online Learning modality. We are among the few top higher education institutions to believe in the dictum that "Learning never stops" and thereby we have consciously chosen online learning as our academic delivery mode.

NOTE: The details for the same will be shared in the coming weeks.

Phase 2

Being cognizant of the fact that design education is hands-on, tactile, learning by doing and experiential at its core; exposure to labs, workshops, and studios becomes a pre-requisite for an excellent student learning experience; and thereby we shall welcome the batch of 2020 *on-campus* from **Tuesday, 01st September 2020** following a blended online and on-campus (alternate days) pedagogy.

We have planned the upcoming semester's time table in such a manner that all students will be attending classes (theory & tutorials) in online mode and all practice sessions in classrooms, labs, studios, design arenas & workshops at the UID campus while following an odd-even / alternate day attendance schedule with strict adherence to social distancing and all stipulated health-related COVID norms.

NOTE: The needful document verification will be carried out once you will arrive on campus. A detailed checklist of the same will be shared with you well in time.
