- Session by Dr. Sridhara Shetty , Principal, S. M .Shetty College Mumbai on “Virtual Learning and Viability” : 11.10 am
- Vote of Thanks: Prof. Sahil Karmakar

**Report:**During the pandemic, institutions resorted to online teaching. Because there is no scope for offline teaching. So in this regard, most of the teachers do not have experience of online teaching. And how to make it effective for the time being since other avenues are not available. So in this respect we have taken a kind of webinar with a collaborative college. How this online teaching can be made most effective. So in this context this webinar is arranged and organized.

Principal Dr. Sridhara Shetty spoke in length about virtual learning and viability. All staff members from Saraswat College enjoyed the session and learned many new things from the speaker. Prof. Sahil Karmakar concluded with a vote of thanks.

About the Conference	The Parent Institute	The Host Institute	Call for Papers
<p>In simple terms, the practices which add commendable value to an institution and its various stakeholders are the best practices. However, they depend on many variables. These should be kept in mind while identifying the practices. What might be considered as 'best practices' are limited in a number of ways. Firstly, what we consider to be the 'best' educational practice depends on our own limited knowledge, perspectives, contexts, interests and values. The interests and values on which the practices are premised may be contested by others. In that case, many of the assumptions on which the practices are premised will not hold. Secondly, 'best practices' are contingent, context dependent and defy generic description. Thus if these practices are to be useful at all, we need to identify the ones that can be so re-stated as to be clearly seen to contribute to value addition to the institution or the stakeholders. Only then can they become context-free and less subjective.</p> <p>For most institutions of higher education the desire to learn from each other and to share aspects of good practice is almost as old as the institutions themselves. With the emphasis on collegiality, such desires have traditionally manifested themselves in numerous ways: professional associations, both academic and non-academic; meeting to share common interests; and visits by delegations from one higher education system to examine practices in another. The latest in this list is the interest to participate in the assessment activities of the NAAC. Thus improving performance by collaboration or comparison with other HEIs is nothing new in higher education. What is new, however, is the increasing interest in the formalization of such comparisons, and one recent development in this area is that of creating the best practices database. For all these purposes, the present conference has been organized.</p>	<p>In this broad context, the objectives of the conference are:</p> <ol style="list-style-type: none"> <li>1. To have an in-depth discussion upon the existing best practices in higher education</li> <li>2. To explore the possibilities of innovative best practices in higher education</li> </ol> <p>Whereas, the sub-themes of the conference are:</p> <ol style="list-style-type: none"> <li>1. NAAC new/revised methodology</li> <li>2. Innovative best practices in higher education</li> <li>3. Role of ICT in NAAC assessment and accreditation process</li> <li>4. DVV, AAA &amp; SSS</li> <li>5. Writing Qlms and POs, PSOs, &amp; COs</li> </ol> <p>Mahatma Gandhi Vidyamandir, Nashik was established in the year 1952, under the dynamic leadership of Late Hon'ble Karmaveer Bhausaheb Hiray, a committed freedom fighter, an ardent educationalist and Former Minister of Bombay Province. His son Late Hon'ble Loknete Vyankatrao Hiray, a great visionary, took over the responsibility of the institution in 1961. Under his visionary approach, M. G. Vidyamandir started various schools and colleges imparting education from primary level to higher education, and also technical &amp; professional education.</p> <p>Since 1980, Hon'ble Smt. Pushpatai Hiray, Former Minister of Health, Govt. of Maharashtra and Hon'ble Samajshree Prashantdada Hiray, Former State Minister of Transport and Protocol, Govt. of Maharashtra have been efficiently managing the institution. Hon'ble Dr. Apoorvabhai Hiray, Former MLC, Maharashtra State has been taking extraneous efforts to enhance the quality of education in the era of competitive globalization. At present, 110 educational institutions ranging from primary level to postgraduate and technical to professional level are operational under his able leadership.</p>	<p>The devotional motto of the institute is "Bahujan Hitay, Bahujan Sukhay" is to provide the educational facilities to the students coming from all spheres of urban, rural and tribal areas and to empower them to become successful, sensitive and responsible citizens of the Indian Nation</p> <p>Mahatma Gandhi Vidyamandir's Loknete Vyankatrao Hiray Arts, Science and Commerce College, Panchavati, Nashik was established in 1971. The college was started with the strength of near 150 students only. With its rich heritage of academic excellence, presently the student strength of the college is around 7000. The college has highly qualified and trained staff with rich academic and research experience that forms the strong backbone for any educational Institute having 05 Research Centers and 14 PG Departments which reflects the academic excellence of the college, which is recognized with 'A' Grade by NAAC and has been recognized as the "Best College" in 2016 - 17 by Savitribai Phule Pune University.</p>	<p>Research papers are invited based on the theme of the conference. The selected full length papers shall be presented and be published in UGC listed reputed Indian journal having Impact Factor &amp; ISSN. Soft copy of abstract and full length paper (typed in MS Word Times New Roman, 12 Font &amp; 1.5 line spacing) shall be mailed on lvhiqac2020@gmail.com</p>
