**Feedback:**

- General feedback was taken from the students, they found the session very helpful.
- Students were able to get a brief overview of the subject in a simple way,
- Students were of the opinion that such sessions should be continued in future also as the remedial sessions helped students to clarify the concepts which they found difficult.

Outcome on Remedial Lectures

The remedial lectures had the following outcomes:-

- Provided a platform for the students to interact with the course teachers and clear their doubts.
- As few students with the similar academic orientation were present in the lecture (as compared to regular lectures), the peculiar concepts were discussed in an easy to understand manner.
- Provided better understanding of the courses and improved their overall performance in the semester end examination.
