## Feedback

## Action Report on IIT Bombay Spoken Tutorial

The overall feedback for the program was excellent. Everyone agreed that they learnt a lot of things of value in this program.

Mixed reviews were received about two questions. First, if the content of the course met the attendee's expectations. Second, if the course material handed out was adequate. To solve these problems, a form will be given to the attendees well in advance before the event where they will write what they expect from the event. Based on this, the topics of the sessions will be decided. The course material will be planned in advance with more inputs so everyone can be satisfied.

As per the positive feedbacks received from the attendees, we are planning to have such events frequently so that students can have a value added certification from a recognized institution.

## I.T Association and E-Waste Management Club

I.T Association has conducted E-book collection drive on 16<sup>th</sup> July, 2018 by Prof. Sujata Rizal in 5<sup>th</sup> floor I.T Lab. The main aim is to collect E-Books related to the syllabus of F.Y.BSc.I.T, S.Y.BSc.I.T and T.Y.BSc.I.T. All the books are being given by the students to the department during this drive. Department is having one blog [smsbookbank.weebly.com](http://smsbookbank.weebly.com) where all the collected books are getting stored and anyone can access the required E-book from anywhere. This helps the students to learn many things related to their subject as well as the subject which is not their in syllabus but required as per the industry needs. The department is having more than 150 books in the blog given by the students since last three years.
