On January 14, 2020 the department of Mass Media and Communication Skills of Bunts Sangha's S.M Shetty College of Science, Commerce, and Management Studies organized the 'Y-Talk'.

This platform for the youth was organized by The Studio in the AV Room. The topic for this session was "Curbing Freedom of Speech ". The audience reached the venue by 12:30 PM because of the hype around the issue and the attention that it has garnered from across the country.

The Judges for the Panel were Mr. Parth Satam and alumnus Mr. Arithra Banerjee from Fauji India with Mr. Osaid Butt moderating the session. The panelists were students from various departments.

"I disapprove of what you say but I'll defend to the death your right to say it."

This quote by Voltaire set in motion the session.

Freedom of speech is one right everyone should have, everyone should get to convey or form an opinion about what they believe in unless it's some sort of hate speech or is demeaning someone where it hurts them personally. Throughout the session, panelists went back and forth about how exercising our freedom to express and speak about things in a way we like it, has changed in India per se. Some moments did derail the panel for a bit before they got back on track.

Event: **Script Writing Workshop and Launch of Studio Samachar**

Organised by: Department of Mass Media and Communication Skills

Resource-person: Tejaswini Patwardhan – Open minds Productions

Objective: To enlighten students with the necessary skills and knowledge about writing efficient script for movies and other purposes

Report: Tejaswini Patwardhan hosted the first of 4 sessions held to enlighten students about script writing. Enrolled students attended this interactive session

On Wednesday, the 18<sup>th</sup> of July, 2018 the BMM department's The Studio organized the Script Writing Workshop which was resourced by Tejaswini Patwardhan from Open Minds Productions. The workshop benefitted the students in various ways and enlightened them about the various aspects of efficient script writing.

The event first started with the launch of 'Studio Samachar' the BMM department's E-news website by Principal Dr. Sridhara Shetty. Principal Sir later delivered speech to the students about change in media, E-news, Movies and the importance of such workshops.

Our guest and Resource-Person Ms. Tejaswini Patwardhan was then introduced to the students shortly after which the workshop began. This session was the first of 4 sessions to be held. It was very interactive in nature with constant communication between the trainer and students. It began with talking about various movie classics and the motive behind the look and the character designs of such movies. The importance of colour schemes of the posters and the characters was brought to the attention of the students.

Mrs. Tejaswini spoke in depth about characters like Captain America, The Joker and why the colour schemes of those are such. She then went on to talk about the writers of these movies/characters and the importance of their background. She also spoke about the various characters in Hindu Mythology and how the crux of these characters is still relevant in every movie we see today.

She also spoke about the different kind of characters in a script like Antagonist v/s Protagonist and what separates the different characters from each other. She gave great importance to layered or in depth characters. Various videos were shown as to why the director selected that particular dialogue, colour scheme or songs in the scene.

The session ended with an assignment given to the students for the next session. The template of the story of Cinderella was given to the students with a thorough understanding of the various characters and the plot line of the story. The students have to write their own script with the template of Cinderella by changing the situation or the characters of the original story.

### Outcome:-

- Studio samachar will give opportunity to Journalism students to practically implement what the theory that they learn.
- Script writing work gave experience to students on the different writing styles.
- Students learnt about development of character colour schemes in films.
- The workshop has made the students understand script writing and enhanced their employability factor.

Could have been more organized

It was good

We should conduct more such workshops for in-depth learning

More emphasis on how to write the script needed

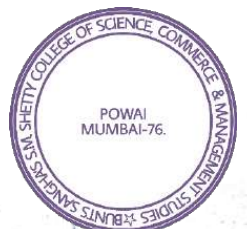

Maybe a live show course

There could've been more days of it

### **Report- International Yoga Day**

**Organized by:** Health Club, NSS Unit and Sports Department

**Event:** One Day National Webinar

**Topic:** Yoga for Healthy Body, Calm Mind & Strong Spirit'

**Date:** Sunday, 21<sup>st</sup> June, 2020

**Timing:** 10:00 am to 11:00am

**Venue:** Zoom App and You Tube Live

**Scope:** Teaching, Non-Teaching Staff, Students, Parents & others.

**Resource Person:** Members of Shri Ambika Yoga Kutir

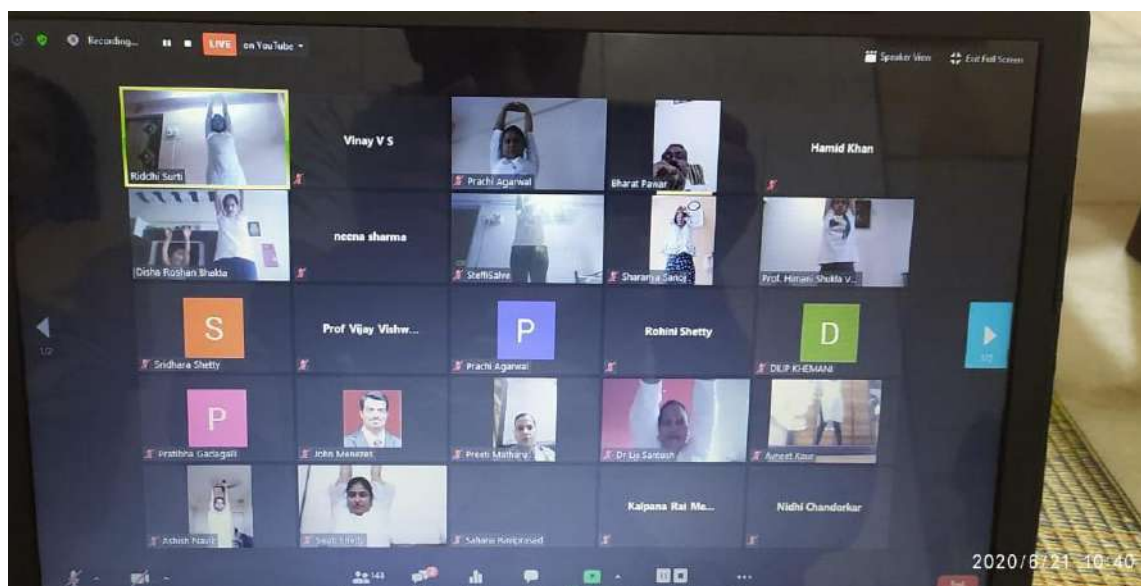

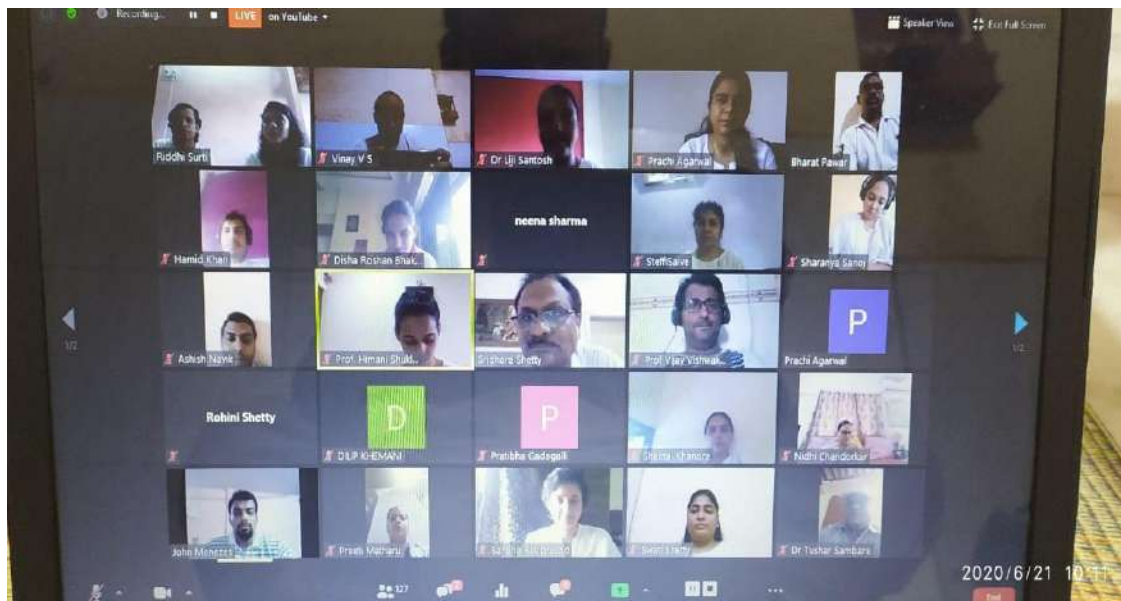

**Objective:** To promote better mental and physical health of the community at large through the practice of yogasana.

**Highlights:** "Yoga means addition of energy, strength and peace to the body, mind and soul." On the occasion of International Yoga Day, Health Club, NSS Unit and Sports Department our college jointly organized the webinar with the objective to promote better mental and physical health of the community and to motivate participants to adopt and practice yoga in their daily lives. Event began with the cordial welcome to our Chief Guests- members from the Management, our Resource persons, Principal, Vice Principals, Teachers and students across various states of India.

As the idea of International Day of Yoga was first proposed by the current Prime Minister of India, Mr. Narendra Modi, a recorded video message was played in the beginning of the session in which Prime Minister highlighted that Yoga is a holistic approach to health and well-being. This video Message was followed by the welcome address delivered by Principal Sir.

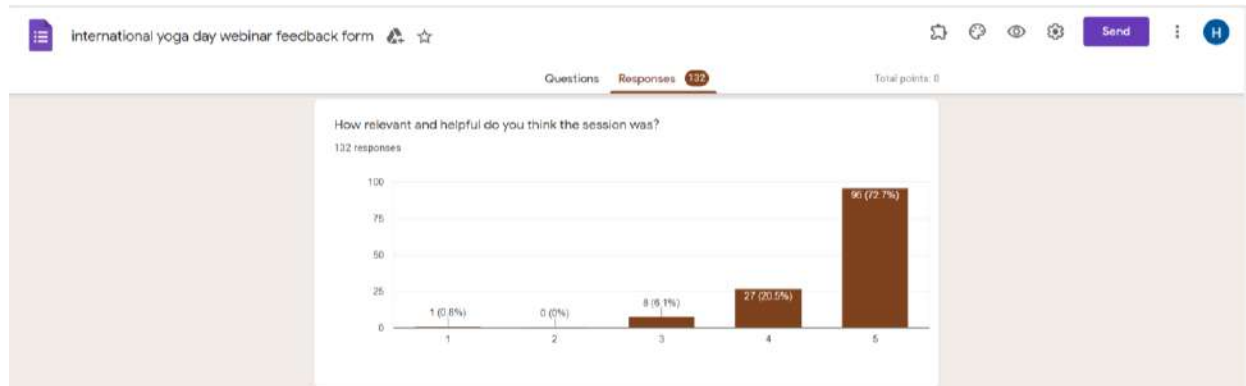

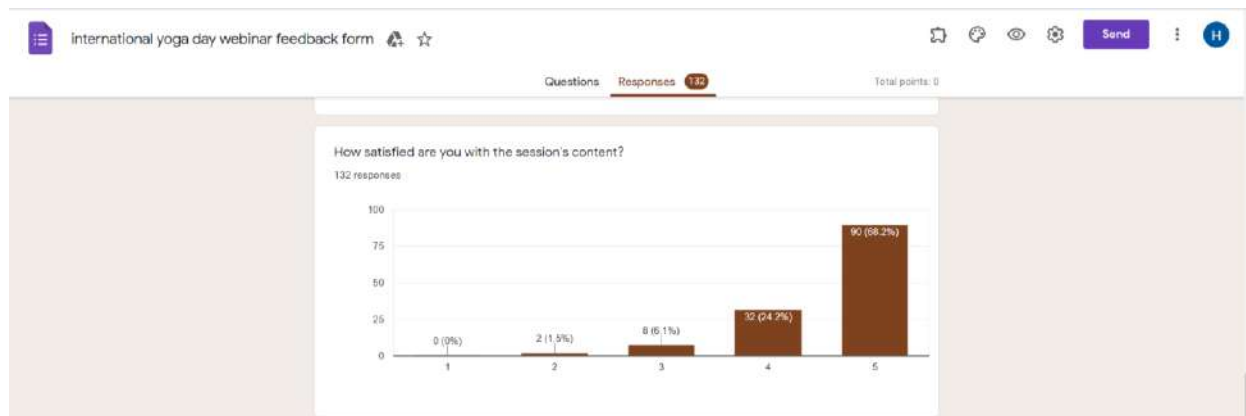

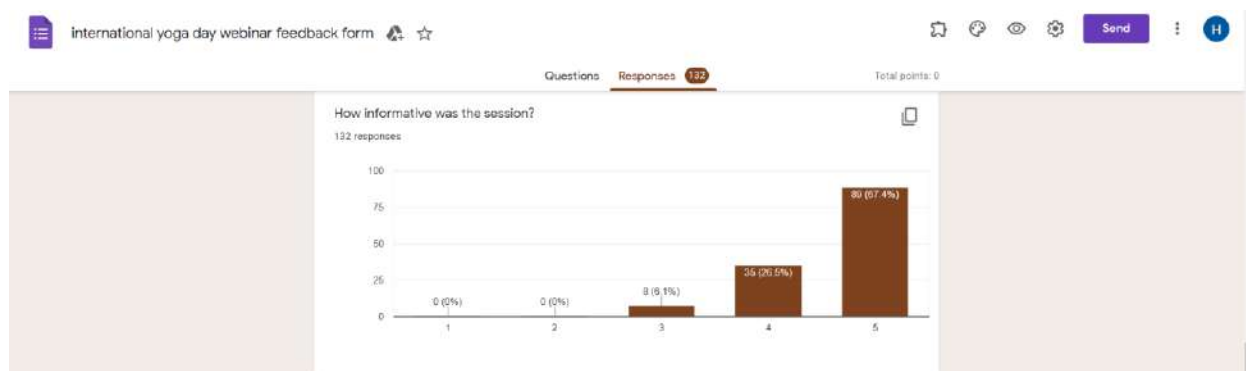

Resource persons started the session in which they demonstrated various sitting and standing yoga asanas explaining the specifications and importance of each. These asanas were taught to relieve mental stress, reduce bodily pain and soothe the soul. Asanas were performed by the participants simultaneously. Yoga Session was followed by 'Question and Answer' session in which queries of participants were answered by the resource person. Webinar came to an end with the vote of thanks.

## **STUDIO + VIDEO EDITING WORKSHOP AND COMPETITION**

### **Purpose and Report**

Studio Plus of the Department of Mass Media and Communication Skills organized a Video Editing Workshop on 27th May 2020

Studio Plus is a talent exchange platform. Initiative of the students , by the students , for the students.

The resource persons for the workshop were our very own SYBAMMC students Chaitanya Lodha and Deepak Gupta.

The workshop emphasized more on practical knowledge throughout live demonstration and practical hands on experience by students at their end.

The purpose of the workshop was to provide basic use and application of the various tools and functions in the Filmora and Adobe Premiere pro Softwares.

## Video Editing Workshop

Correspondent : Madhav Tiwari ( SYBAMMC)

Posted on : May 28th , 2020

The Department of Mass Media and Communication skills of the college conducted a "Video editing" Workshop for the Students of all the Departments on May 27th, 2020 as part of their student's skill sharing initiative STUDIO PLUS.

Pictures taken during the session

Being in the midst of lockdown due to pandemic, the session was conducted via ZOOM Meeting. The participants had been informed to download the video editing software prior to the workshop, so that they could do work on the software simultaneously.

The resource persons for the workshop were our very own SYBMM students Chaitanya Lodha and Deepak Gupta.

Deepak Gupta

Chaitanya Lodha

They explained the working of Editing Software Filmora and Premiere Pro. The Workshop commenced with an introductory note from the Studio President Ms. Tanya Haldar of SYBMM about the gamut of activities conducted by the BMM department like Studio Samachar, Samvarta, Kaarva to name a few and a teaser of the department's upcoming intercollegiate event 'Kaarva'

Deepak Gupta shed some light on the fundamentals of video editing by utilizing the Filmora Software which indeed is very Good for Beginners.

Pictures taken during the session

His main focus was on the correct utilization of Timeline, Shooting your project, Organizing, Importing and Exporting files. He later went on to demonstrate fundamental examples of video editing on the Filmora software. Chaitanya Lodha went on to take an intermediate level video editing session where the participants had a chance to learn the Speed Remapping Tutorial, Information about layers some Good effect such as Gradient Wipes and Zoom out.

Pictures taken during the session

The workshop emphasized more on practical knowledge throughout live demonstration and practical hands on experience by students at their end. The session ended with Q&A session addressed by the resource persons and a vote of thanks by Studio President Ms. Tanya Haldar.

## Suggestions:

- The session went a bit fast, therefore found little difficult to grasp.
- You Are Doing Best Work In this Lockdown.I Hope You Will Start teaching us on Android Also.
- It was nice editing with you guys learned many things which I didn't know before

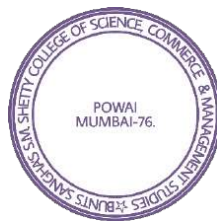

- Teach on free software.
- Should have been provided in dept content.

### ANALYSIS:

Some students insisted on a slow paced and in depth explanations. But they also enjoyed the overall session. Teaching on a free software might have attracted more people to attend the workshop.

## **Capsule Activity- Session on**

### **What is Augmented & Virtual Reality Systems**

On Thursday, 30<sup>th</sup> January, 2020 we had an interactive session on Augmented & Virtual Reality.

What is Virtual Reality (VR):

Virtual reality (VR) is a simulated experience that can be similar to or completely different from the real world. Applications of virtual reality can include entertainment (i.e. video games) and educational purposes (i.e. medical or military training). Other, distinct types of VR style technology include augmented reality and mixed reality.

What is Augmented Reality (AR):

AR can be defined as a system that fulfil three basic features: a combination of real and virtual worlds, real-time interaction, and accurate 3D registration of virtual and real objects.

Asst. Prof: Nabila Kazi conducted the session for students, total 28 students attended this session. During the session the students gave wonderful insights regarding the topics. The session was excellent in terms of information gained as well as interaction among students. Further it was concluded, that the students should take interest in attending such enlightening session and also inculcate such concept into their projects in order to grow educationally as well as professionally. Overall it was a successful event.

There was a session on "What is Augmented Reality & Virtual Reality?" conducted for TY students on 30<sup>th</sup> Jan 2020. Overall feedback received for the session was very positive though being conducted for the first time. Time constraint was only limitation faced during session that has resulted in few negative feedbacks that shall be taken into consideration next time.

Date 28<sup>th</sup> September 2019

The STUDENTS' COUNCIL in collaboration with HOONAR-THE CREATIVE CLUB organised KAAVISH- AN INTER-COLLEGIATE EVENT on 28th September, 2019. Kaavish means efforts and endeavour, it provides a platform for students to showcase their talents. The day started with an inauguration function beginning with the lighting of the lamp, addressed by our Principal Dr. Sridhara Shetty and vote of thanks by the Students' Council in-charge Prof. Sandesha Shetty. Kaavish consisted of 4 competitions i.e. Poster making competition, PowerPoint presentation competition, Handwriting competition and Best out of waste competition.

Kaavish introduced the participants to a total of four events that they could take part in, along with winning cash prizes for each event. The four events are as follows:

1. PowerPoint presentation
2. Handwriting Competition
3. Best out of Waste
4. Poster Making Competition

The Power Point Presentation competition along with the Best out of Waste competition were team events while the Handwriting competition and the Poster Making competition were single participant events. In total, Kaavish received 95 participants collectively from 15 colleges. The event was a success and has received commendable feedback from the participants. The student council has worked to their best of abilities and paved the way for the next Kaavish.

### Action Taken Report: Kaavish

Kaavish 2019 had many participants coming in and the event was a grand success overall with a variety of students participating in all events.

PowerPoint Presentation: The students had to make a PPT and present it creatively. Judgement was made on the basis of captivating delivery and creative presentations.

Best out of Waste: The students were given raw materials which they had to craft into something creative. This was a real challenge but the students came up with some lovely craft items.

Handwriting Competition: The students were given a paragraph to write and were judged on the basis of handwriting, presentation and speed.

Poster Making: The students were to make a poster which sends out a message but is also captivating.

Such were the different events which were met with positive feedback by one and all. Following an overwhelming response from everyone and a huge number of participation, the Students' Council and its teachers decided to continue this fest into next year as students showed keen interest in participating again.

## **Enterprise Network ATR (2019-20)**

The Enterprise network class was conducted for the FYIT students. It was conducted by Mr. Saurab Lahoti. The overall feedback for the event was very positive.

One area of improvement is content management. Plans are to extend the session for longer hours and also evenly spacing it out so one lecture doesn't get too heavy. We are planning to have more sessions like this so that students can take advantage of them.
