**Report on Fire safety Training Programme**

On December 15, 2018, degree college non-teaching staff attended a fire safety training programme. The instructor provided advice on what steps to take in case of a fire emergency. We discussed how to prevent fires at home and at work, various types of fire, how to use fire extinguishers, and various extinguisher types. They also participated in a fire extinguisher demonstration. The extinguishers were demonstrated in-person to the entire workforce. It was an extremely instructive and useful fire safety session.
