

Report on field trip to Reserve Bank of India, Asiatic Library and Nehru Centre

Department of Economics has arranged a field visit to Reserve Bank of India and Nehru Centre on 18th March, 2023 for the students of Economics in SYBBI and SYBCOM. In all 100 students participated. And we have taken two buses. The faculties joined us for the trip was Dr. Liji Santosh, Mr. Jay Kadam and Ms. Avneet Kaur.

The visit to RBI museum have given the students a glimpse of how currency originated in India. Museum visit has enhance their knowledge on money and its evolution, foreign exchange rate and so on.

Asiatic Society library the oldest in India started in the year 1804, is a fantasy for all mumbaikars. A visit to the library and durbar hall was an evergreen memory to all.

Nehru centre at worli and visit to discovery of India was reminding students about India's rich culture and a journey towards Indian culture.

The visits were very educative and students enjoyed the trip.
