HOONAR-THE CREATIVE CLUB

REPORT

Hoonar - The Creative Club had organized 'HOONAR OF THE WEEK' to showcase the talents of the students from S.M.Shetty College. A person with talent for a profession can learn to execute that profession far more easily. Talent can also be associated with vocation. Competence is the total sum of talent with a skill. This association leads to superior results than those obtained by people who have only the talent or skill separately.

HOONAR OF THE WEEK has been an initiative for such students who have some or the other talents hidden in them and to showcase the unknown talented students of our college. The Club intends to post talents through our instagram handle and name the artists as an HOONAR OF THE WEEK. Feedback for the same was taken through google forms from the students who participated and a total no. of 30 students have registered themselves till date from our college. The event is functioning smoothly without any hurdles every Tuesday on the social media handle and participants gave very positive feedback when it came to the organization of this event. Hoonar - the Creative Club is initiating with various such events and shall come forward with more events to encourage our students in the field of Arts.
