**MINUTES OF MEETING**

Date: 20<sup>th</sup> January, 2021

Time: 5:00 PM

Venue: Zoom Meetings

Minutes:

Prof. Raveena Shetty led forth the first official meeting of the newly sworn in students' council, to discuss the execution of the first and the most auspicious event of the year, the Oath Taking ceremony. As the core members tossed various ideas, they had to consider numerous factors such as COVID protocol, travelling and so on.

It was unanimously decided that the ceremony will be conducted online, for the sake of the pandemic. The core committee led by the teachers in charge will now start devising an action plan to accommodate their first online event.

Report

Oath Taking Ceremony

S.M. Shetty College of Science, Commerce and Management Studies in association with The Students' Council made history when it conducted the first ever virtual Oath Taking Ceremony for the newly elected Students' Council members. It was a real challenge to put up the show while maintaining the class and finesse with which it is usually conducted, but the new committee took up the job and executed it flawlessly.

The event was hosted by Prof. Prachi Agarwal, and she started off by greeting everyone and explaining the ceremony to everyone. The event was started by remembering the almighty, as we had the lighting of the lamp.

This was followed by a mesmerizing and a skillful classical dance by one of our core committee members, and the graceful performance set the tone for the ceremony.

Our Vice Principal and Students' Council in charge, Prof. Sandesha Shetty then declared the theme for the program, after acknowledging the dignitaries present.

Next up, we had the virtual Badge Ceremony, wherein every student was introduced by our anchor one by one, and it was truly a moment of pride for all the core members. They were handed virtual badges, a special accommodation made for this year.

Then we arrived to the climax, the Oath Taking, led by our Principal Dr. Sridhara Shetty. The Oath message is a carefully articulated pledge that every member has to take, which defines their duties and the discipline with which they have to perform them. The 14 core members took the Oath led by the principal.

Following this was the Oath for the entire Students' Council, led by the General Secretary Mr. Rathin Sawant. The entire Students' Council repeated the Oath after the General Secretary, in what was a gracious display of unity.

It was now time for the General Secretary to address the ceremony, as he chose to thank the teachers involved in his selection and his friends and family for never leaving his side. He also expressed the thrill and joy of working with such a talented set of colleagues.

The most enlightening part of the ceremony was the Principal's address. Dr. Sridhara Shetty shared his wisdom with which he chose to build this college into what it is today, and explained them their responsibilities, while congratulating all the members for this great achievement of theirs.

CA Shankar B Shetty was our dignitary for the day, and he too made a mark with a wonderful speech encouraging all the students to face the year no matter how hard it may get, and appreciated everyone for putting up such a show.

As the ceremony came to a close, Dr. Liji Santosh, our vice principal, delivered the vote of thanks, thanking and appreciating each and every member involved in making the ceremony a huge success, and acknowledged their relentless hard work devoted for the same.

Looking at the bigger picture, we are all the future of this country, and we will represent our nation wherever we go tomorrow. As a sign of respect and gratitude, we ended the ceremony on a patriotic note, by playing the National anthem.

Such was the event we organized even during the pandemic, as we did not let it affect our spirits. The core committee and the teachers in charge showed amazing resilience and some wonderful thinking to put up the show. This was the first virtual Oath Taking ceremony, and a solid benchmark for all the events which will follow. We may not know what 2021 will have in store for us, but the Students' Council is the united front which will guide the college to their desired destiny.

39 responses

Most of the students, accounting for 66% were fully satisfied with the Oath Taking Ceremony which was done virtually.

Were there any of the following technical issues? (If there were no technical issues, you can leave this question)

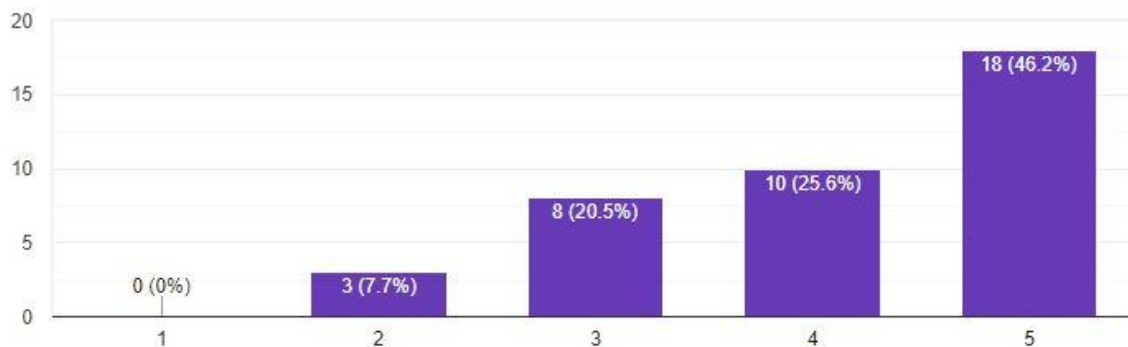

17 responses

There were an unfortunate number of technical errors, which are unavoidable in general but still a good learning tool for all of us.

How comfortable were you with the virtual Oath?

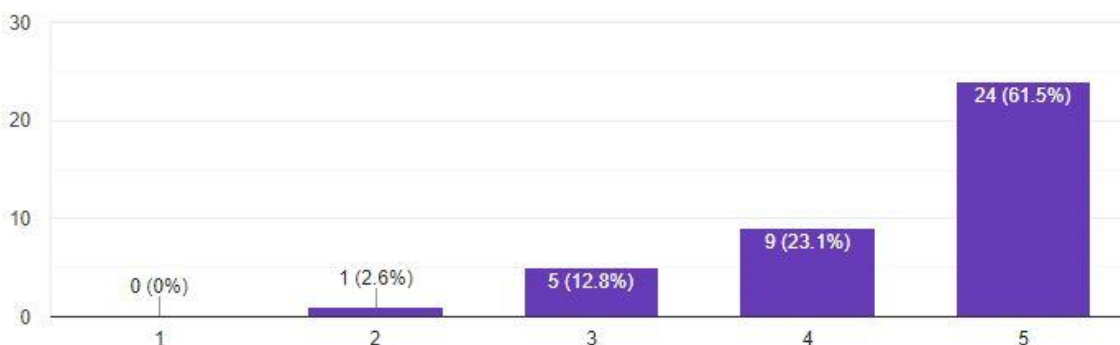

39 responses

Safe to say around half of the students were happy with the virtual and they could immerse themselves into it although it was done virtually.

Rate the overall ceremony

39 responses

Overall, most of the students enjoyed the ceremony by giving it a full 5 star rating, which was a positive take back for all of us.

**Action Taken Report**

**Oath Taking Ceremony**

The Students' Council of S.M. Shetty College of Science, Commerce and Management Studies took on the initiative of hosting the first ever virtual Oath Taking Ceremony for the newly appointed Students' Council members.

The ceremony was attended by the entire Students' Council of our college, which includes the 14 core members, and all the 4 post holders from all the classes (BMS, BMM, BAF, BBI, BCom and BScIT) and the teachers in charge.

The event was very positively received by all students, which can be perceived as the perfect reward for the tireless work done by the core committee members and the teachers in charge to bring this event to life.

All the students co-operated, and worked in unison as all of them recited the Oath together. The display of sheer unity and discipline was remarkable.

Both the teachers and the students left the meeting as proud and content individuals, having just been sworn in for the academic year 2020-2021.
