REPORT ON TEACHER'S DAY CELEBRATION

We celebrate Teachers' day every year throughout the country on 5th September. Students express their gratitude and appreciation for their teachers on this day. This day is dedicated to Dr. Sarvepalli Radhakrishnan – second President of India. The great academic philosopher, and one of the most well known diplomats, scholar, president of India and above all a teacher. As a tribute to this great teacher, his birthday has been observed as teachers' day.

A celebration was conducted by the Students' Council Core Committee on 4th September, 2018. We decided that, the responsibility of teaching is taken up by the students as an appreciation for their teachers. According to our culture all the teachers were welcomed with an tilak and some sweets. The event was started by lightening of lamp by all the dignitaries. The programme was addressed by our principal Dr. Sridhara Shetty.

Further a classroom ambiance was created wherein the students played the role of teachers and the teachers played the role of the students. The activities were conducted like memory competition, quiz and drawing competition during the lecture. The programme was concluded by announcing the teacher of the year. There is a saying that teachers are greater than parents. Parents give birth to child whereas teachers mould the child's personality and provide a bright future, so it was a small contribution from the core committee members to make this day very special.

Assessment :

The whole celebration was a fun and memorable event as the student council's core committee conducted various activities which made it a memorable day for teachers. It was a successful event.
