Objective:

To create a safe working environment for the female employees and students and also to foster the concept of gender equality amongst the present generation

Report: WDC Event "The Grooming Session" with P&G

The WDC organized 'The Grooming Session', in collaboration with the P&G team, on September 26, 2018 to give students tips on how to be job ready. Tini Singh, a member of the P&G team trained students on how to groom themselves for an interview and the workspace. The event was divided into product sampling and an informative and interactive session. The session gave students tips about communication, body language, dress code and grooming.

Post the interactive session the P&G team did a product sampling. The students, teachers and the mom-teaching staff were given free samples of their products. There was a free scalp testing service provided by the P&G team after which they recommended products that could solve the issues.

The event came to an end with a vote of thanks given by the WDC teacher In-charge Prof.Nabila Kazi.
