e-Environmentation

BSc.IT department of S.M.Shetty College of Science, Commerce and Management Studies along Best Computer Solutions (BCS) has started E-Waste Management Club from 2015 where all the students and teachers contribute their e-waste materials which students can reuse and make working and useful models. With the use of electrical and electronic equipment's in our daily operations, disposal of obsolete equipment's is increasingly posing a threat to our environment. There is therefore a need to handle such disposals - referred to as E-Waste - in a responsible manner in line with emerging global best practices and standards.
